Regular or Exceptional Permit:

This Application (does) (does not) request an exception to any requirements of Oil and Gas Chapter 35 of the City Code. (NOTE: If the permit requested is exceptional, state the reasons therefor in detail, using attachments and supporting data to the degree deemed necessary.)

Applicant's Warranties and Agreements:

Applicant warrants that all things stated or represented as factual in this application and any attachment thereto are true and correct, and that all material representations of Applicant made in connection therewith are and will be true and correct; at the penalty of any permit granted herein being null and void.

Applicant understands that any permit granted pursuant to this application is and will be subject to all valid ordinances, rules and regulations of the City of Corpus Christi governing the subject matter, as well as all other valid and applicable laws, rules and regulations of other governmental bodies having jurisdiction. Applicant is familiar with these, or has notice of same, and agrees to comply therewith.

Applicant will submit to the City Council, the Oil and Gas Advisory Committee or to the City Manager any and all other information or data respecting this application required to be furnished; and Applicant will appear before any such body or person for conference, public or private hearing, and give testimony reasonably required hereunder.

In Bay Recreation Areas, Applicant hereby agrees, insofar as it has the right and authority so to do, to allow lessees of State Lease Tracts adjoining the State Lease Tract covered by this application to utilize unused surface locations on its tract as prescribed by Ordinance of the City of Corpus Christi and on the terms and conditions set forth in such Ordinance.

In Marine Areas, Applicant agrees to furnish boat transportation during normal working hours from shore to the location covered by this application for the purpose of any inspection of said location and facilities situated thereon conducted by any official or employee of the City of Corpus Christi; provided that no extra duty of care is thereby imposed on Applicant.

Attached hereto are true copies of all existing permits or applications for permits from other governmental agencies, pertaining to the well for which this application is made.

In nonexempt Land Drilling Blocks, attached hereto is a list of all owners of unleased minerals and the fractional share of the Drilling Block owned as provided for in City Code Section 35-83 (B) (2).

Attached hereto is the bond required by the City of Corpus Christi for operations pertinent to the location applied for (Land, Bay, or Gulf): (or) reference is here made to the blanket bond filed by Applicant with the City Petroleum Superintendent; (or) reference is made to the Indemnity Agreement between Applicant and the City of Corpus Christi filed with the City Petroleum Superintendent

Attached hereto is a copy of the insurance policies or certificates required by the City of Corpus Christi City Code; (or) reference is here made to the copy of the insurance policy or Indemnity Agreement on file in the Oil and Gas Well Division which is sufficient to cover this application.

Attached hereto is a plat of the area where drilling is to be conducted showing the proposed location on surface and at bottomhole. (In "non-producing" land areas the plat shall be prepared by a licensed public surveyor and include the metes and bounds description of the Drilling Block(s) to be unitized.)

Attached hereto is the casing program for the well.

For land wells: Attached hereto are the names and addresses of the owners of all surface property within 400 feet of the well bore.

Applicant hereby agrees that the City of Corpus Christi is authorized to take over and expend funds to retain control of the well as provided in Corpus Christi City Code Section 35-104.
