Eco-Expert

Kyle Brewster, Airport Wildlife Technician
United States Department of Agriculture - Wildlife Services. Naval
Air Station-Corpus Christi

Wildlife at airports poses risk to human health and safety and risk for property damage. Especially consider the large flocks of waterfowl that frequent the Corpus Christi area annually. The US Department of Agriculture is a federal agency that works to manage wildlife hazards at airports and reduce overall risk. We will discuss trends in airport wildlife hazards and techniques to manage wildlife at airports.
