Family Science Explorations

10am-12pm

July 21, 2018
Hurricanes!

Sept. 22, 2018
*Animal
Dissections*

Nov. 24, 2018
*Navigate,
Like a Pirate!*

Explore science topics as a family! This 2-hour program provides a science exploration experience similar to camps or field trips, but you get to bring your family!

- Program fee is \$5 per person.
- This program is open to individuals and families with children 5 and up. All children attending the program must be accompanied by an adult.
- Online registration is required at register.ccparkandrec.com.
- Each program is limited to 25 participants.

TOPICS

- **Hurricanes:** Hurricanes are the most powerful weather phenomenon on the planet. We will explore tropical weather through several fun hands on activities including making a cloud in a bottle, learn about the power of hurricanes, and how they form.
- **Animal Dissections:** We will dissect several preserved animals; sea stars, fish, crawdads, etc. (exact species may vary)
- **Navigate, like a pirate:** The patterns in the sun and moon have not only allowed people to tell time and find their direction, they control much of the natural worlds rhythms and schedules. Come learn how to tell time by the sun and how to orientate with cardinal directions (NSEW) through a lot of fun games.
