

For
Families

Homeschool Field Trip

May 4, 2018
9am-12pm

*Life on the
Preserve
– Needs of
Organisms*

We invite your homeschool family to register to join others in our area to sign up for this field trip. This is a chance to register individually for field trips if you homeschool as a family, with a small group, or want to come separate of your cooperative group.

Oso Preserve is unique for a wildlife preserve since it is surrounded by urban neighborhoods and streets. Come learn about the needs of organisms and how they meet those needs in our constantly fluctuating urban environment.

The field trips will contain three learning activities.

- Each field trip is open to up to 60 participants.
- Program fee is \$5 per child.
- Target age range for the activities is ages 8-12.
- Online registration is required at <http://register.ccparkandrec.com>.

For more information, contact Caleb Harris at (361) 826-3947 or calebh@cctexas.com.
