Wetlands Workshop

Use iNaturalist on your smartphone or tablet to help document wildlife as a citizen scientist!

- Participants will learn how to use the iNaturalist app to record observations that will help contribute to knowledge about threatened and endangered species in Texas.
- We strongly encourage participants to bring their own smart device with iNaturalist already installed. However, we will have iPads handy to use as well.
- This program is open to individuals and families with children 12 years old and up. All children attending must be accompanied by an adult.
- This program is \$5.00 per person. Register online at register.ccparkandrec.com.

For more information, call (361) 826-3335.
