Special:
Creepy Critters
of the
Oso Preserve!*

Halloween special! – Creepy Critters!

Come learn about creepy, gross and otherwise strange things that live at the Oso Preserve! Don't worry, you will be quite safe. You will learn that these species may be creepy and strange but they are not mean or nasty and with a little understanding, they can be downright interesting! We'll talk about insects that eat their prey alive, strange life cycles where babies are hatched inside other animals and seemingly gross habits of some of our critters!

- Program is \$3 and designed for ages 6 and up. Children must be accompanied by an adult.
- Online registration is required at <http://register.ccparkandrec.com>.
